Observatory on the Protection of Taxpayers’ Rights

Below you will find a questionnaire filled in by Alberto Tarsitano, Director at Estudio Tarsitano, Gimenez, Lifrieri & Pampliega and OPTR National Reporter of Argentina.

This set of questionnaires comprise the National Reporter’s assessment on the country practice during 2022 in the protection of taxpayers’ rights, and the level of fulfilment of the minimum standards and best practices on the practical protection of taxpayers’ rights identified by Prof. Dr. Philip Baker and Prof. Dr. Pasquale Pistone at the 2015 IFA Congress on “The Practical Protection of Taxpayers’ Fundamental Rights”.

Dear National Reporter,

I would like to thank you for your participation in the IBFD’s Observatory on the Protection of Taxpayers’ Rights (OPTR).

This form collects the information on the practical implementation in domestic law of legal procedures, safeguards and guarantees associated with taxpayers’ rights in 82 situations for the practical protection of taxpayers’ rights, as monitored by the IBFD Observatory on the Protection of Taxpayers’ Rights.

We kindly ask you to assess assertively (yes/no) the level of practical implementation of said procedures, safeguards and guarantees associated with taxpayers’ rights in your country. When answering, please bear in mind the actual practice regarding each situation, regardless of whether a given procedure, safeguard or guarantee has been formally adopted in your country.

We would be very grateful if you submit us this questionnaire, duly filled out, by no later than 14 January 2023.

Feel free to contact us for any clarification you may need. We look forward to your valuable contribution to this remarkable project.

Kind regards,

Prof. Dr. Carlos E. Weffe

OPTR - 2022 Questionnaire 2 - Standards of Protection

Dear National Reporter,

I would like to thank you for your participation in the IBFD Observatory on the Protection of Taxpayers’ Rights (OPTR).

This form collects the information on developments occurred in 2022 regarding the implementation of 57 minimum standards and 44 best practices, distributed into 86 benchmarks, for the practical protection of taxpayers' rights as monitored by the OPTR.

We kindly ask you to provide an impartial, non-judgmental summary of events occurred in 2022 that in your opinion affect the level of compliance of a given minimum standard/best practice in your country. These events may include, without limitation, legislation enacted, administrative rulings and/or circulars issued, case law and tax administration practices implemented, among others, as requested by this form.

In ALL cases back up your assertions with the relevant documentary materials, and provide full details for identifying the documents related to the reported developments. Either a (soft) copy or internet links to make said documents available (and therefore, quotable) are greatly appreciated.

You are also kindly required to assess whether the events you described represent either a step towards or a step away from the practical implementation of the given minimum standard/best practice in your country. Full instructions are provided below.

This form should be filled in as soon as any of the events mentioned above occurs and edited as many times as necessary to cover all relevant developments occurred in 2022, until no later than 14 January 2023. We appreciate very much your cooperation in this regard.

Feel free to contact us for any clarification you may need. We look forward to your valuable contribution to this remarkable project.

Instructions

1. Please answer all questions. The form will not allow you to continue/submit your responses until you have answered all questions.

2. All questions are two or three-tiered (namely, either with parts "MS" and/or "BP", and "S"). They comprise a minimum standard (MS) and/or a best practice (BP), and a "summary of relevant facts in 2021" (S). The latter is a space for providing a summarized account on facts (legislation enacted, administrative rulings, circulars, case law, tax administration practices), in a non-judgmental way.
3. Please indicate, by clicking on the corresponding button, whether there was an improvement or a
decrease of the level of compliance of the relevant standard/best practice in your country in 2021. If
there were no changes, please indicate so by clicking on the corresponding button.

4. In ALL cases where an assessment of either improvement or decrease is reported, please refer the
relevant novelties in the space provided under “Summary of relevant facts in 2021”, for each question.
Please give a summarized account of facts (legislation enacted, administrative rulings, circulars,
case law, tax administration practices), in a non-judgmental way. Specify if some content is no longer
applicable, due to other developments. If applicable, indicate whether the fact reported is under a
minimum standard or fully complies with the best practice. In case there is nothing to report for a
given minimum standard/best practice, please answer “no changes”.

5. If any, make additional, non-judgmental commentaries at the space provided under “Summary of
relevant facts in 2021”.

6. In ALL cases, back up your assertions with the relevant documentary materials. While it is not
mandatory, a short summary of such materials in English is appreciated. You are welcomed to send
us these materials to our email: optr@ibfd.org and c.weffe@ibfd.org.

7. When completed, please submit the survey.

8. Once you have submitted the survey, you will receive an email acknowledging your participation in
the OPTR and providing a backup of your answers.

9. The email will also include an “edit your survey” link, in case you want to modify any of your
answers. You will receive this email every time you submit partial responses.

10. An option to quit the survey and save your answers is provided at the end of each section. This
survey has 12 sections, as many as those identified by Baker and Pistone in their 2015 IFA General
Report.

11. If answering partially, please select “Yes” at the end of the section in which you are to submit your
partial answers to the survey. To edit/complete your answers later, please use the “edit your
response” link sent to your email after submitting this survey.

12. For editing your answers, please use the last “edit your response” link provided to you via email.
Please bear in mind that this is the only way the system will acknowledge your previous answers. If
you use a link other than the last one provided, some (or all) changes might not be retrieved by the
system.

13. When clicking on the last “edit your response” link, the system will lead you to the front page of
the survey. Click on “Next” as many times as needed to get to the section you want to continue in.
Once you have reached said section, please remember to change your answer to the question “Do
you want to save your results and quit?” to “No”, in order to be able to continue.

General Resolution No. 5248/2022 unexpectedly provided for an extraordinary advance of the income tax payable by corporations (in addition to those already established for the year 2022), which is computed as payment on account of the tax finally determined for the year 2022. The additional advance amounts to 20% tax determined in 2021, without allowing the computation of losses. In practice it has been a way of creating a tax without law, making use of a mechanism that affects the principles of legal certainty, legality, contributory capacity, and reasonableness.

Due to its nature as a payment on account of the tax, the appeal of this advance does not have suspensive effect.

54 (BP). The state should bear some or all of the costs of an appeal, whatever the outcome.

General Resolution No. 5248/2022 unexpectedly provided for an extraordinary advance of the income tax payable by corporations (in addition to those already established for the year 2022), which is computed as payment on account of the tax finally determined for the year 2022. The additional advance amounts to 20% tax determined in 2021, without allowing the computation of losses. In practice it has been a way of creating a tax without law, making use of a mechanism that affects the principles of legal certainty, legality, contributory capacity, and reasonableness.

Whereas the Government of the United States of America and the Government of the Argentine Republic (each, a “Party,” and together, the “Parties”) desire to conclude an agreement to improve international tax compliance through mutual assistance in tax matters based on an effective infrastructure for the automatic exchange of information;

Whereas the Agreement between the Government of the United States of America and the Government of the Argentine Republic for the Exchange of Information Relating to Taxes, done at Buenos Aires on December 23, 2016 (the “TIEA”) authorizes the exchange of information for tax purposes, including on an automatic basis;

Whereas the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas the Government of the Argentine Republic is supportive of the standard on automatic exchange of information to improve tax compliance;

Whereas FATCA has raised a number of issues, including that Argentine financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas the Government of the United States of America collects information regarding certain accounts maintained by U.S. financial institutions held by residents of the Argentine Republic and is committed to exchanging such information with the Government of the Argentine Republic and pursuing equivalent levels of exchange, provided that the appropriate safeguards and infrastructure for an effective exchange relationship are in place;

Whereas an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for Argentine financial institutions;

Whereas the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and reciprocal automatic exchange pursuant to the TIEA, and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the TIEA;

Now, therefore, the Parties have agreed as follows:

Article 1
Definitions

1. For purposes of this agreement and any annexes thereto (the “Agreement”), the following terms shall have the meanings set forth below:

   a) The term “United States” means the United States of America, including the States thereof and the District of Columbia, but does not include the U.S.
b) The term “U.S. Territory” means American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, the Commonwealth of Puerto Rico, or the U.S. Virgin Islands.

c) The term “IRS” means the U.S. Internal Revenue Service.

d) The term “Argentina” means the Argentine Republic.

e) The term “Partner Jurisdiction” means a jurisdiction that has in effect an agreement with the United States to facilitate the implementation of FATCA. The IRS shall publish a list identifying all Partner Jurisdictions.

f) The term “Competent Authority” means:

(1) in the case of the United States, the Secretary of the Treasury or his delegate; and

(2) in the case of Argentina, the Federal Administrator of Public Revenue or his delegate.

g) The term “Financial Institution” means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.

h) The term “Custodial Institution” means any Entity that holds, as a substantial portion of its business, financial assets for the account of others. An entity holds financial assets for the account of others as a substantial portion of its business if the entity’s gross income attributable to the holding of financial assets and related financial services equals or exceeds 20 percent of the entity’s gross income during the shorter of: (i) the three-year period that ends on December 31 (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the entity has been in existence.

i) The term “Depository Institution” means any Entity that accepts deposits in the ordinary course of a banking or similar business.

j) The term “Investment Entity” means any Entity that conducts as a business (or is managed by an entity that conducts as a business) one or more of the following activities or operations for or on behalf of a customer:

(1) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;

(2) individual and collective portfolio management; or

(3) otherwise investing, administering, or managing funds or money on
behalf of other persons.

This subparagraph 1(j) shall be interpreted in a manner consistent with similar language set forth in the definition of “financial institution” in the Financial Action Task Force Recommendations.

k) The term “Specified Insurance Company” means any Entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.

l) The term “Argentine Financial Institution” means (i) any Financial Institution resident in Argentina, but excluding any branch of such Financial Institution that is located outside Argentina, and (ii) any branch of a Financial Institution not resident in Argentina, if such branch is located in Argentina.

m) The term “Partner Jurisdiction Financial Institution” means (i) any Financial Institution established in a Partner Jurisdiction, but excluding any branch of such Financial Institution that is located outside the Partner Jurisdiction, and (ii) any branch of a Financial Institution not established in the Partner Jurisdiction, if such branch is located in the Partner Jurisdiction.

n) The term “Reporting Financial Institution” means a Reporting Argentine Financial Institution or a Reporting U.S. Financial Institution, as the context requires.

o) The term “Reporting Argentine Financial Institution” means any Argentine Financial Institution that is not a Non-Reporting Argentine Financial Institution.

p) The term “Reporting U.S. Financial Institution” means (i) any Financial Institution that is resident in the United States, but excluding any branch of such Financial Institution that is located outside the United States, and (ii) any branch of a Financial Institution not resident in the United States, if such branch is located in the United States, provided that the Financial Institution or branch has control, receipt, or custody of income with respect to which information is required to be exchanged under subparagraph (2)(b) of Article 2 of this Agreement.

q) The term “Non-Reporting Argentine Financial Institution” means any Argentine Financial Institution, or other Entity in Argentina, that is described in Annex II as a Non-Reporting Argentine Financial Institution or that otherwise qualifies as a deemed-compliant FFI or an exempt beneficial owner under relevant U.S. Treasury Regulations in effect on the date of signature of this Agreement.

r) The term “Nonparticipating Financial Institution” means a nonparticipating FFI, as that term is defined in relevant U.S. Treasury Regulations, but does not include an Argentine Financial Institution or other Partner Jurisdiction Financial Institution other than a Financial Institution treated as a
Nonparticipating Financial Institution pursuant to subparagraph 2(b) of Article 5 of this Agreement or the corresponding provision in an agreement between the United States and a Partner Jurisdiction.

s) The term “Financial Account” means an account maintained by a Financial Institution, and includes:

(1) in the case of an Entity that is a Financial Institution solely because it is an Investment Entity, any equity or debt interest (other than interests that are regularly traded on an established securities market) in the Financial Institution;

(2) in the case of a Financial Institution not described in subparagraph 1(s)(1) of this Article, any equity or debt interest in the Financial Institution (other than interests that are regularly traded on an established securities market), if (i) the value of the debt or equity interest is determined, directly or indirectly, primarily by reference to assets that give rise to U.S. Source Withholdable Payments, and (ii) the class of interests was established with a purpose of avoiding reporting in accordance with this Agreement; and

(3) any Cash Value Insurance Contract and any Annuity Contract issued or maintained by a Financial Institution, other than a noninvestment-linked, nontransferable immediate life annuity that is issued to an individual and monetizes a pension or disability benefit provided under an account that is excluded from the definition of Financial Account in Annex II.

Notwithstanding the foregoing, the term “Financial Account” does not include any account that is excluded from the definition of Financial Account in Annex II. For purposes of this Agreement, interests are “regularly traded” if there is a meaningful volume of trading with respect to the interests on an ongoing basis, and an “established securities market” means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange. For purposes of this subparagraph 1(s), an interest in a Financial Institution is not “regularly traded” and shall be treated as a Financial Account if the holder of the interest (other than a Financial Institution acting as an intermediary) is registered on the books of such Financial Institution. The preceding sentence will not apply to interests first registered on the books of such Financial Institution prior to July 1, 2014.

t) The term “Depository Account” includes any commercial, checking, savings, time, or thrift account, or an account that is evidenced by a certificate of deposit, thrift certificate, investment certificate, certificate of indebtedness, or other similar instrument maintained by a Financial Institution in the ordinary course of a banking or similar business. A Depository Account also includes an amount held by an insurance company pursuant to a guaranteed investment contract or similar agreement to pay or credit interest thereon.
u) The term “Custodial Account” means an account (other than an Insurance Contract or Annuity Contract) for the benefit of another person that holds any financial instrument or contract held for investment (including, but not limited to, a share or stock in a corporation, a note, bond, debenture, or other evidence of indebtedness, a currency or commodity transaction, a credit default swap, a swap based upon a nonfinancial index, a notional principal contract, an Insurance Contract or Annuity Contract, and any option or other derivative instrument).

v) The term “Equity Interest” means, in the case of a partnership that is a Financial Institution, either a capital or profits interest in the partnership. In the case of a trust that is a Financial Institution, an Equity Interest is considered to be held by any person treated as a settlor or beneficiary of all or a portion of the trust, or any other natural person exercising ultimate effective control over the trust. A Specified U.S. Person shall be treated as being a beneficiary of a foreign trust if such Specified U.S. Person has the right to receive directly or indirectly (for example, through a nominee) a mandatory distribution or may receive, directly or indirectly, a discretionary distribution from the trust.

w) The term “Insurance Contract” means a contract (other than an Annuity Contract) under which the issuer agrees to pay an amount upon the occurrence of a specified contingency involving mortality, morbidity, accident, liability, or property risk.

x) The term “Annuity Contract” means a contract under which the issuer agrees to make payments for a period of time determined in whole or in part by reference to the life expectancy of one or more individuals. The term also includes a contract that is considered to be an Annuity Contract in accordance with the law, regulation, or practice of the jurisdiction in which the contract was issued, and under which the issuer agrees to make payments for a term of years.

y) The term “Cash Value Insurance Contract” means an Insurance Contract (other than an indemnity reinsurance contract between two insurance companies) that has a Cash Value greater than $50,000.

z) The term “Cash Value” means the greater of (i) the amount that the policyholder is entitled to receive upon surrender or termination of the contract (determined without reduction for any surrender charge or policy loan), and (ii) the amount the policyholder can borrow under or with regard to the contract. Notwithstanding the foregoing, the term “Cash Value” does not include an amount payable under an Insurance Contract as:

1) a personal injury or sickness benefit or other benefit providing indemnification of an economic loss incurred upon the occurrence of the event insured against;

2) a refund to the policyholder of a previously paid premium under an Insurance Contract (other than under a life insurance contract) due to
policy cancellation or termination, decrease in risk exposure during the effective period of the Insurance Contract, or arising from a redetermination of the premium due to correction of posting or other similar error; or

(3) a policyholder dividend based upon the underwriting experience of the contract or group involved.

aa) The term “Reportable Account” means a U.S. Reportable Account or an Argentine Reportable Account, as the context requires.

bb) The term “Argentine Reportable Account” means a Financial Account maintained by a Reporting U.S. Financial Institution if: (i) in the case of a Depository Account, the account is held by an individual resident in Argentina and more than $10 of interest is paid to such account in any given calendar year; or (ii) in the case of a Financial Account other than a Depository Account, the Account Holder is a resident of Argentina, including an Entity that certifies that it is resident in Argentina for tax purposes, with respect to which U.S. source income that is subject to reporting under chapter 3 of subtitle A or chapter 61 of subtitle F of the U.S. Internal Revenue Code is paid or credited.

c) The term “U.S. Reportable Account” means a Financial Account maintained by a Reporting Argentine Financial Institution and held by one or more Specified U.S. Persons or by a Non-U.S. Entity with one or more Controlling Persons that is a Specified U.S. Person. Notwithstanding the foregoing, an account shall not be treated as a U.S. Reportable Account if such account is not identified as a U.S. Reportable Account after application of the due diligence procedures in Annex I.

d) The term “Account Holder” means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

e) The term “U.S. Person” means a U.S. citizen or resident individual, a partnership or corporation organized in the United States or under the laws of
the United States or any State thereof, a trust if (i) a court within the United States would have authority under applicable law to render orders or judgments concerning substantially all issues regarding administration of the trust, and (ii) one or more U.S. persons have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the United States. This subparagraph 1(ee) shall be interpreted in accordance with the U.S. Internal Revenue Code.

ff) The term “Specified U.S. Person” means a U.S. Person, other than: (i) a corporation the stock of which is regularly traded on one or more established securities markets; (ii) any corporation that is a member of the same expanded affiliated group, as defined in section 1471(e)(2) of the U.S. Internal Revenue Code, as a corporation described in clause (i); (iii) the United States or any wholly owned agency or instrumentality thereof; (iv) any State of the United States, any U.S. Territory, any political subdivision of any of the foregoing, or any wholly owned agency or instrumentality of any one or more of the foregoing; (v) any organization exempt from taxation under section 501(a) of the U.S. Internal Revenue Code or an individual retirement plan as defined in section 7701(a)(37) of the U.S. Internal Revenue Code; (vi) any bank as defined in section 581 of the U.S. Internal Revenue Code; (vii) any real estate investment trust as defined in section 856 of the U.S. Internal Revenue Code; (viii) any regulated investment company as defined in section 851 of the U.S. Internal Revenue Code or any entity registered with the U.S. Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a-64); (ix) any common trust fund as defined in section 584(a) of the U.S. Internal Revenue Code; (x) any trust that is exempt from tax under section 664(c) of the U.S. Internal Revenue Code; (xi) a dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any State; (xii) a broker as defined in section 6045(c) of the U.S. Internal Revenue Code; or (xiii) any tax-exempt trust under a plan that is described in section 403(b) or section 457(g) of the U.S. Internal Revenue Code.

gg) The term “Entity” means a legal person or a legal arrangement such as a trust.

hh) The term “Non-U.S. Entity” means an Entity that is not a U.S. Person.

ii) The term “U.S. Source Withholdable Payment” means any payment of interest (including any original issue discount), dividends, rents, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, and other fixed or determinable annual or periodical gains, profits, and income, if such payment is from sources within the United States. Notwithstanding the foregoing, a U.S. Source Withholdable Payment does not include any payment that is not treated as a withholdable payment in relevant U.S. Treasury Regulations.

jj) An Entity is a “Related Entity” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose
control includes direct or indirect ownership of more than 50 percent of the vote or value in an Entity. Notwithstanding the foregoing, Argentina may treat an Entity as not a Related Entity of another Entity if the two Entities are not members of the same expanded affiliated group as defined in section 1471(e)(2) of the U.S. Internal Revenue Code.

kk) The term “U.S. TIN” means a U.S. federal taxpayer identifying number.

ll) The term “Argentine TIN” means an Argentine taxpayer identifying number, an Argentine unified labor identification code, an Argentine identification code or an Argentine national identification number.

mm) The term “Controlling Persons” means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

nn) The term “FFI Agreement” means an agreement that sets forth the requirements for a Financial Institution to be treated as complying with the requirements of section 1471(b) of the U.S. Internal Revenue Code.

2. Any term not otherwise defined in this Agreement shall, unless the context otherwise requires or the Competent Authorities agree to a common meaning (as permitted by domestic law), have the meaning that it has at that time under the law of the Party applying this Agreement, any meaning under the applicable tax laws of that Party prevailing over a meaning given to the term under other laws of that Party.

   a) establish the procedures for the automatic exchange obligations described in Article 2 of this Agreement; and

   b) prescribe rules and procedures as may be necessary to implement Article 5 of this Agreement.

6. All information exchanged shall be subject to the confidentiality and other protections provided for in the TIEA, including the provisions limiting the use of the information exchanged.

7. The U.S. Competent Authority shall provide written notification to the Argentine Competent Authority when it is satisfied that Argentina has in place (i) appropriate
safeguards to ensure that the information received pursuant to this Agreement shall remain confidential and be used solely for tax purposes, and (ii) the infrastructure for an effective exchange relationship (including established processes for ensuring timely, accurate, and confidential information exchanges, effective and reliable communications, and demonstrated capabilities to promptly resolve questions and concerns about exchanges or requests for exchanges and to administer the provisions of Article 5 of this Agreement). The Competent Authorities intend to meet to establish that Argentina has such safeguards and infrastructure in place.

8. The obligation of Argentina to obtain and exchange information under Article 2 of this Agreement shall take effect on the date of entry into force of this Agreement. The obligation of the U.S. Competent Authority to obtain and exchange information under Article 2 of this Agreement shall take effect on the date of its notification pursuant to paragraph 7 of this Article.

**Article 4**

**Application of FATCA to Argentine Financial Institutions**

1. **Treatment of Reporting Argentine Financial Institutions.** Each Reporting Argentine Financial Institution shall be treated as complying with, and not subject to withholding under, section 1471 of the U.S. Internal Revenue Code if Argentina complies with its obligations under Articles 2 and 3 of this Agreement with respect to such Reporting Argentine Financial Institution, and the Reporting Argentine Financial Institution:

   a) identifies U.S. Reportable Accounts and reports annually to the Argentine Competent Authority the information required to be reported in subparagraph 2(a) of Article 2 of this Agreement in the time and manner described in Article 3 of this Agreement;

   b) complies with the applicable registration requirements on the IRS FATCA registration website;

   c) to the extent that a Reporting Argentine Financial Institution is (i) acting as a qualified intermediary (for purposes of section 1441 of the U.S. Internal Revenue Code) that has elected to assume primary withholding responsibility under chapter 3 of subtitle A of the U.S. Internal Revenue Code, (ii) a foreign partnership that has elected to act as a withholding foreign partnership (for purposes of both sections 1441 and 1471 of the U.S. Internal Revenue Code), or (iii) a foreign trust that has elected to act as a withholding foreign trust (for purposes of both sections 1441 and 1471 of the U.S. Internal Revenue Code), withholds 30 percent of any U.S. Source Withholdable Payment to any Nonparticipating Financial Institution; and

   d) in the case of a Reporting Argentine Financial Institution that is not described in subparagraph 1(c) of this Article and that makes a payment of, or acts as an intermediary with respect to, a U.S. Source Withholdable Payment to any Nonparticipating Financial Institution, the Reporting Argentine Financial Institution provides to any immediate payor of such U.S. Source Withholdable Payment the information required for withholding and reporting to occur with respect to such payment.
Notwithstanding the foregoing, a Reporting Argentine Financial Institution with respect to which the conditions of this paragraph 1 are not satisfied shall not be subject to withholding under section 1471 of the U.S. Internal Revenue Code unless such Reporting Argentine Financial Institution is treated by the IRS as a Nonparticipating Financial Institution pursuant to subparagraph 2(b) of Article 5 of this Agreement.

2. **Suspension of Rules Relating to Recalcitrant Accounts.** The United States shall not require a Reporting Argentine Financial Institution to withhold tax under section 1471 or 1472 of the U.S. Internal Revenue Code with respect to an account held by a recalcitrant account holder (as defined in section 1471(d)(6) of the U.S. Internal Revenue Code), or to close such account, if the U.S. Competent Authority receives the information set forth in subparagraph 2(a) of Article 2 of this Agreement, subject to the provisions of Article 3 of this Agreement, with respect to such account.

3. **Specific Treatment of Argentine Retirement Plans.** The United States shall treat as deemed-compliant FFIs or exempt beneficial owners, as appropriate, for purposes of sections 1471 and 1472 of the U.S. Internal Revenue Code, Argentine retirement plans described in Annex II. For this purpose, an Argentine retirement plan includes an Entity established or located in, and regulated by, Argentina, or a predetermined contractual or legal arrangement, operated to provide pension or retirement benefits or earn income for providing such benefits under the laws of Argentina and regulated with respect to contributions, distributions, reporting, sponsorship, and taxation.

4. **Identification and Treatment of Other Deemed-Compliant FFIs and Exempt Beneficial Owners.** The United States shall treat each Non-Reporting Argentine Financial Institution as a deemed-compliant FFI or as an exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code.

5. **Special Rules Regarding Related Entities and Branches That Are Nonparticipating Financial Institutions.** If an Argentine Financial Institution, that otherwise meets the requirements described in paragraph 1 of this Article or is described in paragraph 3 or 4 of this Article, has a Related Entity or branch that operates in a jurisdiction that prevents such Related Entity or branch from fulfilling the requirements of a participating FFI or deemed-compliant FFI for purposes of section 1471 of the U.S. Internal Revenue Code or has a Related Entity or branch that is treated as a Nonparticipating Financial Institution solely due to the expiration of the transitional rule for limited FFIs and limited branches under relevant U.S. Treasury Regulations, such Argentine Financial Institution shall continue to be in compliance with the terms of this Agreement and shall continue to be treated as a deemed-compliant FFI or exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code, provided that:

   a) the Argentine Financial Institution treats each such Related Entity or branch as a separate Nonparticipating Financial Institution for purposes of all the reporting and withholding requirements of this Agreement and each such Related Entity or branch identifies itself to withholding agents as a Nonparticipating Financial Institution;

   b) each such Related Entity or branch identifies its U.S. accounts and reports the information with respect to those accounts as required under section 1471 of
the U.S. Internal Revenue Code to the extent permitted under the relevant laws pertaining to the Related Entity or branch; and

c) such Related Entity or branch does not specifically solicit U.S. accounts held by persons that are not resident in the jurisdiction where such Related Entity or branch is located or accounts held by Nonparticipating Financial Institutions that are not established in the jurisdiction where such Related Entity or branch is located, and such Related Entity or branch is not used by the Argentine Financial Institution or any other Related Entity to circumvent the obligations under this Agreement or under section 1471 of the U.S. Internal Revenue Code, as appropriate.

6. **Coordination of Timing.** Notwithstanding paragraphs 3 and 4 of Article 3 of this Agreement:

   a) Argentina shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the calendar year with respect to which similar information is required to be reported to the IRS by participating FFIs pursuant to relevant U.S. Treasury Regulations;

   b) Argentina shall not be obligated to begin exchanging information prior to the date by which participating FFIs are required to report similar information to the IRS under relevant U.S. Treasury Regulations;

   c) the United States shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the first calendar year with respect to which Argentina is required to obtain and exchange information; and

   d) the United States shall not be obligated to begin exchanging information prior to the date by which Argentina is required to begin exchanging information.

7. **Coordination of Definitions with U.S. Treasury Regulations.** Notwithstanding Article 1 of this Agreement and the definitions provided in the Annexes to this Agreement, in implementing this Agreement, Argentina may use, and may permit Argentine Financial Institutions to use, a definition in relevant U.S. Treasury Regulations in lieu of a corresponding definition in this Agreement, provided that such application would not frustrate the purposes of this Agreement.

**Article 5**

**Collaboration on Compliance and Enforcement**

1. **Minor and Administrative Errors.** A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has reason to believe that administrative errors or other minor errors may have led to incorrect or incomplete information reporting or resulted in other infringements of this Agreement. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to obtain corrected and/or complete information or to resolve other infringements of this Agreement.
2. **Significant Non-Compliance.**

   a) A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has determined that there is significant non-compliance with the obligations under this Agreement with respect to a Reporting Financial Institution in the other jurisdiction. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to address the significant non-compliance described in the notice.

   b) If, in the case of a Reporting Argentine Financial Institution, such enforcement actions do not resolve the non-compliance within a period of 18 months after notification of significant non-compliance is first provided, the United States shall treat the Reporting Argentine Financial Institution as a Nonparticipating Financial Institution pursuant to this subparagraph 2(b).

3. **Reliance on Third Party Service Providers.** Each Party may allow Reporting Financial Institutions to use third party service providers to fulfill the obligations imposed on such Reporting Financial Institutions by a Party, as contemplated in this Agreement, but these obligations shall remain the responsibility of the Reporting Financial Institutions.

4. **Prevention of Avoidance.** The Parties shall implement as necessary requirements to prevent Financial Institutions from adopting practices intended to circumvent the reporting required under this Agreement.

**Article 6**

**Mutual Commitment to Continue to Enhance the Effectiveness of Information Exchange and Transparency**

1. **Reciprocity.** The Government of the United States acknowledges the need to achieve equivalent levels of reciprocal automatic information exchange with Argentina. The Government of the United States is committed to further improve transparency and enhance the exchange relationship with Argentina by pursuing the adoption of regulations and advocating and supporting relevant legislation to achieve such equivalent levels of reciprocal automatic information exchange.

2. **Treatment of Passthru Payments.** The Parties are committed to work together, along with Partner Jurisdictions, to develop a practical and effective alternative approach to achieve the policy objective of foreign passthru payment that minimizes burden.

**Article 7**

**Consistency in the Application of FATCA to Partner Jurisdictions**

1. Argentina shall be granted the benefit of any more favorable terms under Article 4 or Annex I of this Agreement relating to the application of FATCA to Argentine Financial Institutions afforded to another Partner Jurisdiction under a signed bilateral agreement pursuant to which the other Partner Jurisdiction commits to undertake the same obligations as Argentina described in Articles 2 and 3 of this Agreement, and subject to the same terms and conditions as described therein and in Articles 5 through 9 of this Agreement.
2. The United States shall notify Argentina of any such more favorable terms, and such more favorable terms shall apply automatically under this Agreement as if such terms were specified in this Agreement and effective as of the date of signing of the agreement incorporating the more favorable terms, unless Argentina declines in writing the application thereof.

Article 8
Consultations and Amendments

1. In case any difficulties in the implementation of this Agreement arise, either Party may request consultations to develop appropriate measures to ensure the fulfillment of this Agreement.

2. This Agreement may be amended by written mutual agreement of the Parties. Unless otherwise agreed upon, such an amendment shall enter into force through the same procedures as set forth in paragraph 1 of Article 10 of this Agreement.

Article 9
Annexes

The Annexes form an integral part of this Agreement.

Article 10
Term of Agreement

1. This Agreement shall enter into force on January 1 of the calendar year next following the date of Argentina’s written notification to the United States confirming the completion of Argentina’s necessary internal procedures for entry into force of this Agreement.

2. Either Party may terminate this Agreement by giving notice of termination in writing to the other Party. Such termination shall become effective on the first day of the month following the expiration of a period of 12 months after the date of the notice of termination.

3. The Parties shall consult in good faith to amend this Agreement as necessary to reflect progress on the commitments set forth in Article 6 of this Agreement.

THE UNITED STATES OF AMERICA:

FOR THE GOVERNMENT OF
THE ARGENTINE REPUBLIC:
ANNEX I

DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING ON U.S. REPORTABLE ACCOUNTS AND ACCOUNTS HELD BY NONPARTICIPATING FINANCIAL INSTITUTIONS

I. General.

A. Argentina shall require that Reporting Argentine Financial Institutions apply the due diligence procedures contained in this Annex I to identify U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions.

B. For purposes of the Agreement,

1. All dollar amounts are in U.S. dollars and shall be read to include the equivalent in other currencies.

2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year or other appropriate reporting period.

3. Where a balance or value threshold is to be determined as of the Determination Date under this Annex I, the relevant balance or value shall be determined as of that day or the last day of the reporting period ending immediately before the Determination Date, and where a balance or value threshold is to be determined as of the last day of a calendar year under this Annex I, the relevant balance or value shall be determined as of the last day of the calendar year or other appropriate reporting period.

4. Subject to subparagraph E(1) of section II of this Annex I, an account shall be treated as a U.S. Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in this Annex I.

5. Unless otherwise provided, information with respect to a U.S. Reportable Account shall be reported annually in the calendar year following the year to which the information relates.

C. As an alternative to the procedures described in each section of this Annex I, Argentina may permit Reporting Argentine Financial Institutions to rely on the procedures described in relevant U.S. Treasury Regulations to establish whether an account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution. Argentina may permit Reporting Argentine Financial Institutions to make such election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained).

II. Preexisting Individual Accounts. The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Preexisting Accounts held by individuals (“Preexisting Individual Accounts”).

Annex I – 1
A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Argentine Financial Institution elects otherwise, either with respect to all Preexisting Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Argentina provide for such an election, the following Preexisting Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. Subject to subparagraph E(2) of this section, a Preexisting Individual Account with a balance or value that does not exceed $50,000 as of the Determination Date.

2. Subject to subparagraph E(2) of this section, a Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract with a balance or value of $250,000 or less as of the Determination Date.

3. A Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract, provided the law or regulations of Argentina or the United States effectively prevent the sale of such a Cash Value Insurance Contract or an Annuity Contract to U.S. residents (e.g., if the relevant Financial Institution does not have the required registration under U.S. law, and the law of Argentina requires reporting or withholding with respect to insurance products held by residents of Argentina).

4. A Depository Account with a balance of $50,000 or less.

B. **Review Procedures for Preexisting Individual Accounts With a Balance or Value as of the Determination Date, that Exceeds $50,000 ($250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed $1,000,000 (“Lower Value Accounts”).**

1. **Electronic Record Search.** The Reporting Argentine Financial Institution must review electronically searchable data maintained by the Reporting Argentine Financial Institution for any of the following U.S. indicia:

   a) Identification of the Account Holder as a U.S. citizen or resident;

   b) Unambiguous indication of a U.S. place of birth;

   c) Current U.S. mailing or residence address (including a U.S. post office box);

   d) Current U.S. telephone number;

   e) Standing instructions to transfer funds to an account maintained in the United States;

   f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or

Annex I – 2
g) An “in-care-of” or “hold mail” address that is the sole address the Reporting Argentine Financial Institution has on file for the Account Holder. In the case of a Preexisting Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.

2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.

3. If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, or if there is a change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

4. Notwithstanding a finding of U.S. indicia under subparagraph B(1) of this section, a Reporting Argentine Financial Institution is not required to treat an account as a U.S. Reportable Account if:

   a) Where the Account Holder information unambiguously indicates a U.S. place of birth, the Reporting Argentine Financial Institution obtains, or has previously reviewed and maintains a record of:

      (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);

      (2) A non-U.S. passport or other government-issued identification evidencing the Account Holder’s citizenship or nationality in a country other than the United States; and

      (3) A copy of the Account Holder’s Certificate of Loss of Nationality of the United States or a reasonable explanation of:

          (a) The reason the Account Holder does not have such a certificate despite relinquishing U.S. citizenship; or

          (b) The reason the Account Holder did not obtain U.S. citizenship at birth.

   b) Where the Account Holder information contains a current U.S. mailing or residence address, or one or more U.S. telephone numbers
that are the only telephone numbers associated with the account, the Reporting Argentine Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder’s non-U.S. status.

c) Where the Account Holder information contains standing instructions to transfer funds to an account maintained in the United States, the Reporting Argentine Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); and

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder’s non-U.S. status.

d) Where the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an “in-care-of” address or “hold mail” address that is the sole address identified for the Account Holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account), the Reporting Argentine Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); or

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder’s non-U.S. status.

C. Additional Procedures Applicable to Preexisting Individual Accounts That Are Lower Value Accounts.

1. Review of Preexisting Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed within two years from the Determination Date.

2. If there is a change of circumstances with respect to a Preexisting
Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B(4) of this section applies.

3. Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

D. Enhanced Review Procedures for Preexisting Individual Accounts With a Balance or Value That Exceeds $1,000,000 as of the Determination Date, or the Last Day of the Year of the Determination Date or Any Subsequent Year (“High Value Accounts”).

1. Electronic Record Search. The Reporting Argentine Financial Institution must review electronically searchable data maintained by the Reporting Argentine Financial Institution for any of the U.S. indicia described in subparagraph B(1) of this section.

2. Paper Record Search. If the Reporting Argentine Financial Institution’s electronically searchable databases include fields for, and capture all of the information described in, subparagraph D(3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Argentine Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Argentine Financial Institution within the last five years for any of the U.S. indicia described in subparagraph B(1) of this section:

   a) The most recent documentary evidence collected with respect to the account;

   b) The most recent account opening contract or documentation;

   c) The most recent documentation obtained by the Reporting Argentine Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;

   d) Any power of attorney or signature authority forms currently in effect; and

   e) Any standing instructions to transfer funds currently in effect.

3. Exception Where Databases Contain Sufficient Information. A Reporting Argentine Financial Institution is not required to perform the paper record search described in subparagraph D(2) of this section if the Reporting

Annex I – 5
Argentine Financial Institution’s electronically searchable information includes the following:

a) The Account Holder’s nationality or residence status;

b) The Account Holder’s residence address and mailing address currently on file with the Reporting Argentine Financial Institution;

c) The Account Holder’s telephone number(s) currently on file, if any, with the Reporting Argentine Financial Institution;

d) Whether there are instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Argentine Financial Institution or another Financial Institution);

e) Whether there is a current “in-care-of” address or “hold mail” address for the Account Holder; and

f) Whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Argentine Financial Institution must treat as a U.S. Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with such High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Specified U.S. Person.

5. **Effect of Finding U.S. Indicia.**

   a) If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified U.S. Person in subparagraph D(4) of this section, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account.

   b) If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

   c) Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been...
E. **Additional Procedures Applicable to High Value Accounts.**

1. If a Preexisting Individual Account is a High Value Account as of the Determination Date, the Reporting Argentine Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within one year from the Determination Date.

2. If a Preexisting Individual Account is not a High Value Account as of the Determination Date, but becomes a High Value Account as of the last day of the year of the Determination Date or any subsequent calendar year, the Reporting Argentine Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a U.S. Reportable Account, the Reporting Argentine Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified U.S. Person.

3. Once a Reporting Argentine Financial Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Argentine Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph D(4) of this section, to the same High Value Account in any subsequent year.

4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

5. A Reporting Argentine Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United States, the Reporting Argentine Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

F. **Preexisting Individual Accounts That Have Been Documented for Certain Other Purposes.** A Reporting Argentine Financial Institution that has previously

Annex I – 7
obtained documentation from an Account Holder to establish the Account Holder’s status as neither a U.S. citizen nor a U.S. resident in order to meet its obligations under a qualified intermediary, withholding foreign partnership, or withholding foreign trust agreement with the IRS, or to fulfill its obligations under chapter 61 of Title 26 of the United States Code, is not required to perform the procedures described in subparagraph B(1) of this section with respect to Lower Value Accounts or subparagraphs D(1) through D(3) of this section with respect to High Value Accounts.

G. **Preexisting Individual Accounts That Have Been Documented Pursuant to an FFI Agreement.** A Reporting Argentine Financial Institution that has registered with the IRS and has in effect an FFI Agreement as of the day immediately before the Determination Date and has documented a Preexisting Individual Account pursuant to the due diligence procedures described in Section 3.02 and Section 3.03 of the FFI Agreement to establish whether such Preexisting Individual Account is a U.S. Reportable Account is not required to perform the procedures described in subparagraph B(1) of this section (relating to Lower Value Accounts) or subparagraphs D(1) through D(3) of this section (relating to High Value Accounts) with respect to such account.

III. **New Individual Accounts.** The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Financial Accounts held by individuals and opened after the Determination Date (“New Individual Accounts”).

A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Argentine Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Argentina provide for such an election, the following New Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. A Depository Account unless the account balance exceeds $50,000 at the end of any calendar year or other appropriate reporting period.

2. A Cash Value Insurance Contract unless the Cash Value exceeds $50,000 at the end of any calendar year or other appropriate reporting period.

B. **Other New Individual Accounts.** With respect to New Individual Accounts not described in paragraph A of this section, upon account opening (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of this section), the Reporting Argentine Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Argentine Financial Institution to determine whether the Account Holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the Account Holder is also a tax resident of another jurisdiction) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Argentine Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

1. If the self-certification establishes that the Account Holder is resident
in the United States for tax purposes, the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account and obtain a self-certification that includes the Account Holder’s U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).

2. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Argentine Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Argentine Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting Argentine Financial Institution is unable to obtain a valid self-certification, the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account.

IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Preexisting Accounts held by Entities (“Preexisting Entity Accounts”).

A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Argentine Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Argentina provide for such an election, a Preexisting Entity Account with an account balance or value that does not exceed $250,000 as of the Determination Date, is not required to be reviewed, identified, or reported as a U.S. Reportable Account until the account balance or value exceeds $1,000,000.

B. **Entity Accounts Subject to Review.** A Preexisting Entity Account that has an account balance or value that exceeds $250,000 as of the Determination Date, and a Preexisting Entity Account that does not exceed $250,000 as of the Determination Date but the account balance or value of which exceeds $1,000,000 as of the last day of the year of the Determination Date or any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.

C. **Entity Accounts With Respect to Which Reporting Is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, shall be treated as U.S. Reportable Accounts.

D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting Argentine Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by Nonparticipating Financial Institutions:

1. **Determine Whether the Entity Is a Specified U.S. Person.**

Annex I – 9
a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a U.S. Person. For this purpose, information indicating that the Account Holder is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.

b) If the information indicates that the Account Holder is a U.S. Person, the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account unless it obtains a self-certification from the Account Holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified U.S. Person.

2. Determine Whether a Non-U.S. Entity Is a Financial Institution.

a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a Financial Institution.

b) If the information indicates that the Account Holder is a Financial Institution, or the Reporting Argentine Financial Institution verifies the Account Holder’s Global Intermediary Identification Number on the published IRS FFI list, then the account is not a U.S. Reportable Account.

3. Determine Whether a Financial Institution Is a Nonparticipating Financial Institution.

a) Subject to subparagraph D(3)(b) of this section, a Reporting Argentine Financial Institution may determine that the Account Holder is an Argentine Financial Institution or other Partner Jurisdiction Financial Institution if the Reporting Argentine Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder’s Global Intermediary Identification Number on the published IRS FFI list or other information that is publicly available or in the possession of the Reporting Argentine Financial Institution, as applicable. In such case, no further review, identification, or reporting is required with respect to the account.

b) If the Account Holder is an Argentine Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account.

c) If the Account Holder is not an Argentine Financial Institution.
or other Partner Jurisdiction Financial Institution, then the Reporting Argentine Financial Institution must treat the Account Holder as a Nonparticipating Financial Institution, unless the Reporting Argentine Financial Institution:

1. Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the Account Holder that it is a certified deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or

2. In the case of a participating FFI or registered deemed-compliant FFI, verifies the Account Holder’s Global Intermediary Identification Number on the published IRS FFI list.

4. Determine Whether an Account Held by an NFFE Is a U.S. Reportable Account. With respect to an Account Holder of a Preexisting Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting Argentine Financial Institution must identify (i) whether the Account Holder has Controlling Persons, (ii) whether the Account Holder is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Account Holder is a U.S. citizen or resident. In making these determinations the Reporting Argentine Financial Institution must follow the guidance in subparagraphs D(4)(a) through D(4)(d) of this section in the order most appropriate under the circumstances.

   a) For purposes of determining the Controlling Persons of an Account Holder, a Reporting Argentine Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

   b) For purposes of determining whether the Account Holder is a Passive NFFE, the Reporting Argentine Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFFE.

   c) For purposes of determining whether a Controlling Person of a Passive NFFE is a U.S. citizen or resident for tax purposes, a Reporting Argentine Financial Institution may rely on:

      1. Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance or value that does not exceed $1,000,000; or

      2. A self-certification (which may be on an IRS Form W-8

Annex I – 11
or W-9, or on a similar agreed form) from the Account Holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFE with an account balance or value that exceeds $1,000,000.

d) If any Controlling Person of a Passive NFE is a U.S. citizen or resident, the account shall be treated as a U.S. Reportable Account.

E. **Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.**

1. Review of Preexisting Entity Accounts with an account balance or value that exceeds $250,000 as of the Determination Date must be completed within two years from the Determination Date.

2. Review of Preexisting Entity Accounts with an account balance or value that does not exceed $250,000 as of the Determination Date, but exceeds $1,000,000 as of the last day of the year of the Determination Date or any subsequent year, must be completed within six months after the last day of the calendar year in which the account balance or value exceeds $1,000,000.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Argentine Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Argentine Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

F. **Preexisting Entity Accounts That Have Been Documented Pursuant to an FFI Agreement.** A Reporting Argentine Financial Institution that has registered with the IRS and has in effect an FFI Agreement as of the day immediately before the Determination Date and has documented a Preexisting Entity Account pursuant to the due diligence procedures described in Section 3.02 and Section 3.03 of the FFI Agreement to establish whether such Preexisting Entity Account is a U.S. Reportable Account is not required to perform the procedures described in subparagraphs D(1) through D(4) of this section with respect to such account.

V. **New Entity Accounts.** The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Financial Accounts held by Entities and opened after the Determination Date (“New Entity Accounts”).

A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Argentine Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Argentina provide for such election, a credit card account or a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Argentine Financial Institution maintaining such account implements
policies and procedures to prevent an account balance owed to the Account Holder that exceeds $50,000.

B. **Other New Entity Accounts.** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Argentine Financial Institution must determine whether the Account Holder is: (i) a Specified U.S. Person; (ii) an Argentine Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFE.

1. Subject to subparagraph B(2) of this section, a Reporting Argentine Financial Institution may determine that the Account Holder is an Active NFFE, an Argentine Financial Institution, or other Partner Jurisdiction Financial Institution if the Reporting Argentine Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder’s Global Intermediary Identification Number or other information that is publicly available or in the possession of the Reporting Argentine Financial Institution, as applicable.

2. If the Account Holder is an Argentine Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account.

3. In all other cases, a Reporting Argentine Financial Institution must obtain a self-certification from the Account Holder to establish the Account Holder’s status. Based on the self-certification, the following rules apply:

   a) If the Account Holder is a **Specified U.S. Person**, the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account.

   b) If the Account Holder is a **Passive NFFE**, the Reporting Argentine Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a U.S. citizen or resident on the basis of a self-certification from the Account Holder or such person. If any such person is a U.S. citizen or resident, the Reporting Argentine Financial Institution must treat the account as a U.S. Reportable Account.

   c) If the Account Holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph B(3)(d) of this section, an Argentine Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Reportable Account, and no reporting is required with respect to the account.
d) If the Account Holder is a Nonparticipating Financial Institution (including an Argentine Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution), then the account is not a U.S. Reportable Account.

VI. **Special Rules and Definitions.** The following additional rules and definitions apply in implementing the due diligence procedures described above:

A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Argentine Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Argentine Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

B. **Definitions.** The following definitions apply for purposes of this Annex I.

1. **AML/KYC Procedures.** “AML/KYC Procedures” means the customer due diligence procedures of a Reporting Argentine Financial Institution pursuant to the anti-money laundering or similar requirements of Argentina to which such Reporting Argentine Financial Institution is subject.

2. **NFFE.** An “NFFE” means any Non-U.S. Entity that is not an FFI as defined in relevant U.S. Treasury Regulations or is an Entity described in subparagraph B(4)(j) of this section, and also includes any Non-U.S. Entity that is established in Argentina or another Partner Jurisdiction and that is not a Financial Institution.

   b) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;

   c) The NFFE is organized in a U.S. Territory and all of the owners of the payee are bona fide residents of that U.S. Territory;
d) The NFFE is a government (other than the U.S. government), a political subdivision of such government (which, for the avoidance of doubt, includes a state, province, county, or municipality), or a public body performing a function of such government or a political subdivision thereof, a government of a U.S. Territory, an international organization, a non-U.S. central bank of issue, or an Entity wholly owned by one or more of the foregoing;

e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity shall not qualify for NFFE status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;

f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

g) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;

h) The NFFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution;

i) The NFFE is an “excepted NFE” as described in relevant U.S. Treasury Regulations; or

j) The NFFE meets all of the following requirements:

v. The applicable laws of the NFFE’s jurisdiction of residence or the NFFE’s formation documents require that, upon the NFFE’s liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the NFFE’s jurisdiction of residence or any political subdivision thereof.

5. **Preexisting Account.** A “Preexisting Account” means a Financial Account maintained by a Reporting Financial Institution as of the Determination Date.

6. **Determination Date.** The “Determination Date” means the date on which the Treasury Department determines not to apply withholding under section 1471 of the U.S. Internal Revenue Code to Argentine Financial Institutions. The Determination Date for Argentina is the date of entry into force of the Agreement.

C. **Account Balance Aggregation and Currency Translation Rules.**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Argentine Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Argentine Financial Institution, or by a Related Entity, but only to the extent that the Reporting Argentine Financial Institution’s computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this paragraph 1.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Argentine Financial Institution is required to take into account all
Financial Accounts that are maintained by the Reporting Argentine Financial Institution, or by a Related Entity, but only to the extent that the Reporting Argentine Financial Institution’s computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Argentine Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.

4. **Currency Translation Rule.** For purposes of determining the balance or value of Financial Accounts denominated in a currency other than the U.S. dollar, a Reporting Argentine Financial Institution must convert the U.S. dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Argentine Financial Institution is determining the balance or value.

D. **Documentary Evidence.** For purposes of this Annex I, acceptable documentary evidence includes any of the following:

5. Any financial statement, third-party credit report, bankruptcy filing, or
E. **Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract.** A Reporting Argentine Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract receiving a death benefit is not a Specified U.S. Person and may treat such Financial Account as other than a U.S. Reportable Account unless the Reporting Argentine Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person. A Reporting Argentine Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract is a Specified U.S. Person if the information collected by the Reporting Argentine Financial Institution and associated with the beneficiary contains U.S. indicia as described in subparagraph (B)(1) of section II of this Annex I. If a Reporting Argentine Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person, the Reporting Argentine Financial Institution must follow the procedures in subparagraph B(3) of section II of this Annex I.

F. **Reliance on Third Parties.** Regardless of whether an election is made under paragraph C of section I of this Annex I, Argentina may permit Reporting Argentine Financial Institutions to rely on due diligence procedures performed by third parties, to the extent provided in relevant U.S. Treasury Regulations.
Annex II

The following Entities shall be treated as exempt beneficial owners or deemed-compliant FFIs, as the case may be, and the following accounts are excluded from the definition of Financial Accounts.

This Annex II may be modified by a mutual written decision entered into between the Competent Authorities of Argentina and the United States: (1) to include additional Entities and accounts that present a low risk of being used by U.S. Persons to evade U.S. tax and that have similar characteristics to the Entities and accounts described in this Annex II as of the date of signature of the Agreement; or (2) to remove Entities and accounts that, due to changes in circumstances, no longer present a low risk of being used by U.S. Persons to evade U.S. tax. Any such addition or removal shall be effective on the date of signature of the mutual decision, unless otherwise provided therein. Procedures for reaching such a mutual decision may be included in the mutual agreement or arrangement described in paragraph 5 of Article 3 of the Agreement.

I. Exempt Beneficial Owners other than Funds. The following Entities shall be treated as Non-Reporting Argentine Financial Institutions and as exempt beneficial owners for purposes of sections 1471 and 1472 of the U.S. Internal Revenue Code, other than with respect to a payment that is derived from an obligation held in connection with a commercial financial activity of a type engaged in by a Specified Insurance Company, Custodial Institution, or Depository Institution.

A. Governmental Entity. The government of Argentina, any political subdivision of Argentina (which, for the avoidance of doubt, includes a state, province, county, or municipality), or any wholly owned agency or instrumentality of Argentina or any one or more of the foregoing (each, an “Argentine Governmental Entity”). This category is comprised of the integral parts, controlled entities, and political subdivisions of Argentina.

1. An integral part of Argentina means any person, organization, agency, bureau, fund, instrumentality, or other body, however designated, that constitutes a governing authority of Argentina. 2. Is subject to government regulation and provides information reporting to the tax authorities in Argentina; and

3. Satisfies at least one of the following requirements:

   a) The fund is generally exempt from tax in Argentina on investment income under the laws of Argentina due to its status as a retirement or pension plan;
b) The fund receives at least 50 percent of its total contributions (other than transfers of assets from other plans described in paragraphs A through C of this section or from retirement and pension accounts described in subparagraph A(1) of section V of this Annex II) from the sponsoring employers;

c) Distributions or withdrawals from the fund are allowed only upon the occurrence of specified events related to retirement, disability, or death (except rollover distributions to other retirement funds described in paragraphs A through C of this section or retirement and pension accounts described in subparagraph A(1) of section V of this Annex II), or penalties apply to distributions or withdrawals made before such specified events; or

d) Contributions (other than certain permitted make-up contributions) by employees to the fund are limited by reference to earned income of the employee or may not exceed $50,000 annually, applying the rules set forth in Annex I for account aggregation and currency translation.

D. **Investment Entity Wholly Owned by Exempt Beneficial Owners.** An Entity that is an Argentine Financial Institution solely because it is an Investment Entity, provided that each direct holder of an Equity Interest in the Entity is an exempt beneficial owner, and each direct holder of a debt interest in such Entity is either a Depository Institution (with respect to a loan made to such Entity) or an exempt beneficial owner.

III. **Small or Limited Scope Financial Institutions that Qualify as Deemed-Compliant FFIs.** The following Financial Institutions are Non-Reporting Argentine Financial Institutions that shall be treated as deemed-compliant FFIs for purposes of section 1471 of the U.S. Internal Revenue Code.

A. **Financial Institution with a Local Client Base.** A Financial Institution satisfying the following requirements:

1. The Financial Institution must be licensed and regulated as a financial institution under the laws of Argentina;

forth in Annex I, to prevent the Financial Institution from providing a Financial Account to any Nonparticipating Financial Institution and to monitor whether the Financial Institution opens or maintains a Financial Account for any Specified U.S. Person who is not a resident of Argentina (including a U.S. Person that was a resident of Argentina when the Financial Account was opened but subsequently ceases to be a resident of Argentina) or any Passive NFFE with Controlling Persons who are U.S. residents or U.S. citizens who are not residents of Argentine;

7. Such policies and procedures must provide that if any Financial Account held by a Specified U.S. Person who is not a resident of Argentina or by a Passive NFFE with Controlling Persons who are U.S. residents or U.S. citizens who are not residents of Argentina is identified, the Financial Institution must report such Financial Account as would be required if the Financial Institution were a Reporting Argentine Financial Institution (including by following the applicable registration requirements on the IRS FATCA registration website) or close such Financial Account;

8. With respect to a Preexisting Account held by an individual who is not a resident of Argentina or by an Entity, the Financial Institution must review those Preexisting Accounts in accordance with the procedures set forth in Annex I applicable to Preexisting Accounts to identify any U.S. Reportable Account or Financial Account held by a Nonparticipating Financial Institution, and must report such Financial Account as would be required if the Financial Institution were a Reporting Argentine Financial Institution (including by following the applicable registration requirements on the IRS FATCA registration website) or close such Financial Account;

The Financial Institution’s business consists primarily of receiving deposits from and making loans to, with respect to a bank, unrelated retail customers and, with respect to a credit union or similar cooperative credit organization, members, provided that no member has a greater than five percent interest in such credit union or cooperative credit organization;
3. The Financial Institution satisfies the requirements set forth in subparagraphs A(2) and A(3) of this section, provided that, in addition to the limitations on the website described in subparagraph A(3) of this section, the website does not permit the opening of a Financial Account;

4. The Financial Institution does not have more than $175 million in assets on its balance sheet, and the Financial Institution and any Related Entities, taken together, do not have more than $500 million in total assets on their consolidated or combined balance sheets; and

5. Any Related Entity must be incorporated or organized in Argentina, and any Related Entity that is a Financial Institution, with the exception of any Related Entity that is a retirement fund described in paragraphs A through C of section II of this Annex II or a Financial Institution with only low-value accounts described in paragraph C of this section, must satisfy the requirements set forth in this paragraph B.

For this purpose, a customer deposit does not refer to credit balances to the extent of disputed charges but does include credit balances resulting from merchandise returns.
IV. **Investment Entities that Qualify as Deemed-Compliant FFIs and Other Special Rules.**

The Financial Institutions described in paragraphs A through E of this section are Non-Reporting Argentine Financial Institutions that shall be treated as deemed-compliant FFIs for purposes of section 1471 of the U.S. Internal Revenue Code. In addition, paragraph F of this section provides special rules applicable to an Investment Entity.
