Below you will find a questionnaire filled in by Carlos Espinosa Berecochea, Director General at the *Centro Est. Sup. de Derecho Fiscal y Admin.* and OPTR National Reporter of Mexico.

This set of questionnaires comprises the National Reporter's assessment of the country's practice during 2023 in protecting taxpayers' rights and the level of fulfillment of the minimum standards and best practices on the practical protection of taxpayers' rights identified by Prof. Dr. Philip Baker and Prof. Dr. Pasquale Pistone at the 2015 IFA Congress on "The Practical Protection of Taxpayers' Fundamental Rights."

OPTR - 2023 Questionnaire 1 - Country Practice

Dear National Reporter,

I would like to thank you for your participation in the IBFD's Observatory on the Protection of Taxpayers' Rights (OPTR).

This form collects the information on the practical implementation in domestic law of legal procedures, safeguards and guarantees associated with taxpayers' rights in 82 situations for the practical protection of taxpayers' rights, as monitored by the IBFD Observatory on the Protection of Taxpayers' Rights.

We kindly ask you to assess assertively (yes/no) the level of practical implementation of said procedures, safeguards and guarantees associated with taxpayers' rights in your country. When answering, please bear in mind the actual practice regarding each situation, regardless of whether a given procedure, safeguard or guarantee has been formally adopted in your country.

We would be very grateful if you submit us this questionnaire, duly filled out, by no later than 12 January 2024.

Feel free to contact us for any clarification you may need. We look forward to your valuable contribution to this remarkable project.

Kind regards,

Dr Alessandro Turina

SECRETO BANCARIO. EL ARTÍCULO 142, FRACCIÓN I, DE LA LEY DE INSTITUCIONES DE CRÉDITO VULNERA EL DERECHO A LA VIDA PRIVADA.

Hechos: La Procuraduría General de la República (actual Fiscalía General de la República) solicitó a la Comisión Nacional Bancaria y de Valores información sobre las cuentas bancarias de una persona. Ello lo efectuó sin autorización judicial, pues así lo permite el artículo 142, fracción I, de la Ley de Instituciones de Crédito. Esa información fue utilizada por el ministerio público para pedir la vinculación a proceso de la persona por un delito fiscal, pero el juez de control la negó. No obstante, la persona imputada promovió un juicio de amparo indirecto en el que reclamó la inconstitucionalidad de esa norma por permitir que se brinde información sobre su vida privada sin control judicial previo. El amparo se sobreseyó y en desacuerdo la parte quejosa interpuso un recurso de revisión que fue remitido a este alto tribunal para resolver sobre la constitucionalidad del artículo.

Criterio jurídico: El artículo 142, fracción I, de la Ley de Instituciones de Crédito, que permite al Procurador General de la República o a la persona servidora pública en quien delegue facultades requerir información bancaria a las instituciones financieras para fines penales, sin autorización judicial, es inconstitucional porque vulnera el derecho a la privacidad.

Justificación: El artículo 16, párrafo primero, de la Constitución Política de los Estados Unidos Mexicanos protege el derecho a la vida privada de las personas. Para salvaguardar ese derecho, en el marco de las operaciones y servicios bancarios, el legislador estableció en el artículo 142, primer párrafo, de la Ley de Instituciones de Crédito el "secreto bancario", el cual impide a las autoridades bancarias brindar información, datos o documentación de sus clientes o usuarios.

En contraste, la fracción I de ese mismo artículo 142 establece que las instituciones bancarias podrán brindar esa información cuando el Procurador General de la República o el servidor público en quien delegue facultades la solicite para la comprobación de un delito, sin que para ello sea necesario que de manera previa un juez autorice dicha petición.

El control judicial en materia penal es obligatorio cuando un acto de autoridad (como la solicitud de información bancaria) puede significar una afectación a los derechos fundamentales reconocidos en la Constitución y en los tratados internacionales, porque asegura que dicho actuar esté justificado y no sea arbitrario.

Por esa razón, la disposición señalada es inconstitucional, en virtud de que permite que el ministerio público acceda a información bancaria de las personas, sin un control previo que permita a la autoridad judicial verificar si hay elementos que justifiquen esa intromisión a la vida privada en respeto de la Constitución y de los tratados internacionales.

Amparo en revisión 58/2021. Peter Bauer Mengelberg López. 25 de enero de 2023. Mayoría de cuatro votos de los Ministros Arturo Zaldívar Lelo de Larrea, Juan Luis González Alcántara Carrancá, quien formuló voto concurrente, y Alfredo Gutiérrez Ortiz Mena, y de la Ministra Ana Margarita Ríos Farjat. Disidente: Ministro Jorge Mario Pardo Rebolledo, quien formuló voto particular. Ponente: Ministra Ana Margarita Ríos Farjat. Secretario: Edwin Antony Pazol Rodríguez.

Tesis de jurisprudencia 150/2023 (11a.). Aprobada por la Primera Sala de este Alto Tribunal, en sesión privada de cuatro de octubre de dos mil veintitrés.

CAPÍTULO III

Derechos y garantías en los procedimientos de comprobación

Artículo 12.- Los contribuyentes tendrán derecho a ser informados, al inicio de cualquier actuación de la autoridad fiscal, para comprobar el cumplimiento de las obligaciones fiscales, de sus derechos y obligaciones en el curso de tales actuaciones.

Artículo 13.- Cuando las autoridades fiscales ejerzan sus facultades para comprobar el cumplimiento de las obligaciones fiscales previstas en las fracciones II y III del artículo 42 del Código Fiscal de la Federación, deberán informar al contribuyente con el primer acto que implique el inicio de esas facultades, el derecho que tiene para corregir su situación fiscal y los beneficios de ejercer el derecho mencionado.

Artículo 14.- Para los efectos de lo dispuesto en la fracción XIII del artículo 2o. de la presente Ley, los contribuyentes tendrán derecho a corregir su situación fiscal en las distintas contribuciones objeto de la revisión, mediante la presentación de la declaración normal o complementaria que, en su caso, corresponda, de conformidad con lo dispuesto en el Código Fiscal de la Federación.

Los contribuyentes podrán corregir su situación fiscal a partir del momento en el que se dé inicio al ejercicio de las facultades de comprobación y hasta antes de que se les notifique la resolución que determine el monto de las contribuciones omitidas. El ejercicio de este derecho no está sujeto a autorización de la autoridad fiscal.

Artículo 15.- Los contribuyentes deberán entregar a la autoridad revisora, una copia de la declaración de corrección que hayan presentado. Dicha situación deberá ser consignada en una acta parcial cuando se trate de visitas domiciliarias; en los demás casos, incluso cuando haya concluido una visita domiciliaria, la autoridad revisora en un plazo máximo de diez días contados a partir de la entrega, deberá comunicar al contribuyente mediante oficio haber recibido la declaración de corrección, sin que dicha comunicación implique la aceptación de la corrección presentada por el contribuyente.

Artículo 16.- Cuando durante el ejercicio de las facultades de comprobación de las autoridades fiscales, los contribuyentes corrijan su situación fiscal y haya transcurrido al menos, un plazo de tres meses contados a partir del inicio del ejercicio de dichas facultades, se dará por concluida la visita domiciliaria o la revisión de que se trate, si a juicio de las autoridades fiscales y conforme a la investigación realizada, se desprende que el contribuyente ha corregido en su totalidad las obligaciones fiscales por las que se ejercieron las facultades de comprobación y por el período objeto de revisión. En el supuesto mencionado, se hará constar la corrección fiscal mediante oficio que se hará del conocimiento del contribuyente y la conclusión de la visita domiciliaria o revisión de que se trate.

Cuando los contribuyentes corrijan su situación fiscal con posterioridad a la conclusión del ejercicio de las facultades de comprobación y las autoridades fiscales verifiquen que el contribuyente ha corregido en su totalidad las obligaciones fiscales que se conocieron con motivo del ejercicio de las facultades mencionadas, se deberá comunicar al contribuyente mediante oficio dicha situación, en el plazo de un mes contado a partir de la fecha en que la autoridad fiscal haya recibido la declaración de corrección fiscal.

Cuando los contribuyentes presenten la declaración de corrección fiscal con posterioridad a la conclusión del ejercicio de las facultades de comprobación y hayan transcurrido al menos cinco meses del plazo a que se refiere el artículo 18 de este ordenamiento, sin que las autoridades fiscales hayan emitido la resolución que determine las contribuciones omitidas, dichas autoridades contarán con un plazo de un mes, adicional al previsto en el numeral mencionado, y contado a partir de la fecha en que los contribuyentes presenten la declaración de referencia para llevar a cabo la determinación de contribuciones omitidas que, en su caso, proceda.

No se podrán determinar nuevas omisiones de las contribuciones revisadas durante el periodo objeto del ejercicio de las facultades de comprobación, salvo cuando se comprueben hechos diferentes. La comprobación de hechos diferentes deberá estar sustentada en información, datos o documentos de terceros o en la revisión de conceptos específicos que no se hayan revisado con anterioridad.

Si con motivo del ejercicio de las facultades de comprobación se conocen hechos que puedan dar lugar a la determinación de contribuciones mayores a las corregidas por el contribuyente o contribuciones objeto de la revisión por las que no se corrigió el contribuyente, los visitadores o, en su caso, las autoridades fiscales, deberán continuar con la visita domiciliaria o con la revisión prevista en el artículo 48 del Código Fiscal de la Federación, hasta su conclusión.

Cuando el contribuyente, en los términos del párrafo anterior, no corrija totalmente su situación fiscal, las autoridades fiscales emitirán la resolución que determine las contribuciones omitidas, de conformidad con el procedimiento establecido en el Código Fiscal de la Federación.

Artículo 17.- Los contribuyentes que corrijan su situación fiscal, pagarán una multa equivalente al 20% de las contribuciones omitidas, cuando el infractor las pague junto con sus accesorios después de que se inicie el ejercicio de las facultades de comprobación de las autoridades fiscales y hasta antes de que se le notifique el acta final de la visita domiciliaria o el oficio de observaciones a que se refiere la fracción VI del artículo 48 del Código Fiscal de la Federación, según sea el caso.

Si el infractor paga las contribuciones omitidas junto con sus accesorios, después de que se notifique el acta final de la visita domiciliaria o el oficio de observaciones, según sea el caso, pero antes de la notificación de la resolución que determine el monto de las contribuciones omitidas, pagará una multa equivalente al 30% de las contribuciones omitidas.

Así mismo, podrán efectuar el pago en parcialidades de conformidad con lo dispuesto en el Código Fiscal de la Federación, siempre que esté garantizado el interés fiscal.

Artículo 18.- Las autoridades fiscales contarán con un plazo de seis meses para determinar las contribuciones omitidas que conozcan con motivo del ejercicio de sus facultades de comprobación, sin perjuicio de lo dispuesto en el tercer párrafo del artículo 16 de esta Ley. El cómputo del plazo se realizará a partir de los supuestos a que se refiere el artículo 50 del Código Fiscal de la Federación y le serán aplicables las reglas de suspensión que dicho numeral contempla. Si no lo hacen en dicho lapso, se entenderá de manera definitiva que no existe crédito fiscal alguno a cargo del contribuyente por los hechos, contribuciones y períodos revisados.

Artículo 19.- Cuando las autoridades fiscales determinen contribuciones omitidas, no podrán llevar a cabo determinaciones adicionales con base en los mismos hechos conocidos en una revisión, pero podrán hacerlo cuando se comprueben hechos diferentes. La comprobación de hechos diferentes deberá estar sustentada en información, datos o documentos de terceros o en la revisión de conceptos específicos que no se hayan revisado con anterioridad; en este último supuesto, la orden por la que se ejerzan las facultades de comprobación deberá estar debidamente motivada con la expresión de los nuevos conceptos a revisar.

Artículo 20.- Las autoridades fiscales podrán revisar nuevamente los mismos hechos, contribuciones y períodos, por los que se tuvo al contribuyente por corregido de su situación fiscal, o se le determinaron contribuciones omitidas, sin que de dicha revisión pueda derivar crédito fiscal alguno a cargo del contribuyente.
