

## CERTIFICATE PROGRAMME

# Advanced Professional Certificate in International Taxation

## Programme start date

1 October 2025

The programme is designed to be followed online over a 6-month period and consists of a selection of specifically designed IBFD online courses and webinars addressing corporate international taxation. You will be tested throughout the programme and encouraged to engage in active learning through quizzes, assignments, recommended readings and a final assessment.

Once the programme is completed, you will receive a professional certificate of acknowledgement from IBFD, a reputable international organization in the international tax community, to acknowledge that you have successfully completed a rigorous learning regime in corporate international taxation.

## Level

Intermediate

## Field of study

Taxes

## Completion requirements

To benefit from the learning experience for this training and obtain the certificate, completing all mandatory components is necessary. Upon access to the learning platform, the syllabus will indicate the exact completion requirements. Please also consult the [FAQ](#) for more information.
