

Observatory on the Protection of Taxpayers' Rights

Below you will find a questionnaire filled in by Stefan Huang Shih Chou, Professor at the *National Taipei University of Business*, and OPTR National Reporter of the (Chinese) Taipei.

This set of questionnaires comprises the National Reporter's assessment of the country's practice during 2024 in protecting taxpayers' rights and the level of fulfilment of the minimum standards and best practices on the practical protection of taxpayers' rights identified by Prof. Dr. Philip Baker and Prof. Dr. Pasquale Pistone at the 2015 IFA Congress on "The Practical Protection of Taxpayers' Fundamental Rights."

OPTR - 2024 Questionnaire 1 - Country Practice

Dear National Reporter,

I would like to thank you for your participation in the IBFD's Observatory on the Protection of Taxpayers' Rights (OPTR).

This form collects the information on the practical implementation in domestic law of legal procedures, safeguards and guarantees associated with taxpayers' rights in a wide range of situations for the practical protection of taxpayers' rights, as monitored by the IBFD Observatory on the Protection of Taxpayers' Rights.

We kindly ask you to assess assertively (yes/no) the level of practical implementation of said procedures, safeguards and guarantees associated with taxpayers' rights in your country. When answering, please bear in mind the actual practice regarding each situation, regardless of whether a given procedure, safeguard or guarantee has been formally adopted in your country.

This form should be filled in as soon as any of the events mentioned above occurs and edited as many times as necessary to cover all relevant developments occurred in 2024, until no later than 10 January 2025. We appreciate very much your cooperation in this regard.

Feel free to contact us for any clarification you may need. We look forward to your valuable contribution to this remarkable project.

Kind regards,

Dr Sam van der Vlugt
Scientific Coordinator
IBFD Observatory on the Protection of Taxpayers' Rights.

OPTR - 2024 Questionnaire 2 - Standards of Protection

Dear National Reporter,

I would like to thank you for your participation in the IBFD Observatory on the Protection of Taxpayers' Rights (OPTR).

This form collects the information on developments occurred in 2024 regarding the implementation of 57 minimum standards and 44 best practices, distributed into 86 benchmarks, for the practical protection of taxpayers' rights as monitored by the OPTR.

We kindly ask you to provide an impartial, non-judgmental summary of events occurred in 2024 that in your opinion affect the level of compliance of a given minimum standard/best practice in your country. These events may include, without limitation, legislation enacted, administrative rulings and/or circulars issued, case law and tax administration practices implemented, among others, as requested by this form.

In ALL cases back up your assertions with the relevant documentary materials, and provide full details for identifying the documents related to the reported developments. Either a (soft) copy or internet links to make said documents available (and therefore, quotable) are greatly appreciated.

You are also kindly required to assess whether the events you described represent either a step towards or a step away from the practical implementation of the given minimum standard/best practice in your country. Full instructions are provided below.

This form should be filled in as soon as any of the events mentioned above occurs and edited as many times as necessary to cover all relevant developments occurred in 2024, until no later than 10 January 2025. We appreciate very much your cooperation in this regard.

Feel free to contact us for any clarification you may need. We look forward to your valuable contribution to this remarkable project.

Kind regards,

Dr Sam van der Vlugt

1. Please answer all questions. The form will not allow you to continue/submit your responses until you have answered all questions.

2. All questions are two or three-tiered (namely, either with parts "MS" and/or "BP", and "S"). They comprise a minimum standard (MS) and /or a best practice (BP), and a "summary of relevant facts in 2024" (S). The latter is a space for providing a summarized account on facts (legislation enacted, administrative rulings, circulars, case law, tax administration practices), in a non-judgmental way.

3. Please Indicate, by clicking on the corresponding button, whether there was an improvement or a

decrease of the level of compliance of the relevant standard/best practice in your country in 2024. If there were no changes, please indicate so by clicking on the corresponding button.

4. In ALL cases where an assessment of either improvement or decrease is reported, please refer the relevant novelties in the space provided under "summary of relevant facts in 2024", for each question. Please give a summarized account of facts (legislation enacted, administrative rulings, circulars, case law, tax administration practices), in a non-judgmental way. Specify if some content is no longer applicable, due to other developments. If applicable, indicate whether the fact reported is under a minimum standard or fully complies with the best practice. In case there is nothing to report for a given minimum standard/best practice, please answer "no changes".

5. If any, make additional, non-judgmental commentaries at the space provided under "summary of relevant facts in 2024".

6. In ALL cases back up your assertions with the relevant documentary materials. While it is not mandatory, a short summary of such materials in English is appreciated. You are welcomed to send us these materials to our email: optr@ibfd.org.

7. When completed, please submit the survey.

8. Once you have submitted the survey, you will receive an email acknowledging your participation in the OPTR and providing a backup of your answers.

9. The email will also include an "edit your survey" link, in case you want to modify any of your answers. You will receive this email every time you submit partial responses.

10. An option to quit the survey and save your answers is provided at the end of each section. This survey has 12 sections, as many as those identified by Baker and Pistone in their 2015 IFA General Report.

11. If answering partially, please select "Yes" at the end of the section in which you are to submit your partial answers to the survey. To edit/complete your answers later, please use the "edit your response" link sent to your email after submitting this survey.

12. For editing your answers, please use the last "edit your response" link provided to you via email. Please bear in mind that this is the only way the system will acknowledge your previous answers. If you use a link other than the last one provided, some (or all) changes might not be retrieved by the system.

13. When clicking on the last "edit your response" link, the system will lead you to the front page of the survey. Click on "Next" as many times as needed to get to the section you want to continue in. Once you have reached said section, please remember to change your answer to the question "Do you want to save your results and quit?" to "No", in order to be able to continue.

Regarding 72(MS), if a tax violation is penalized by the tax bureau, the "ne bis in idem" principle applies, preventing double punishment for the same wrongdoing. However, if the violation is investigated but not penalized due to insufficient evidence, the tax bureau may reinvestigate the matter and retain the authority to impose penalties on the taxpayer.

As for 72(BP), the cumulative effect of penalties, interest, and surcharges in Taiwan often exceeds the original tax amount, as tax penalties are calculated as multiples (1-2, 1-5, or even 1-10 times) of the underpaid tax. However, in September 2024, a minor reform of certain stringent penalty provisions granted tax officers greater discretion to impose milder and more proportionate penalties aligned with the severity of each violation.
