IBFD Advanced Professional Certificate in International Taxation (APCIT)

Learn how the IBFD Advanced Professional Certificate in International Taxation (APCIT) will boost your professional development through the user profiles described below:

User Profile 1: [In-house tax professionals working in a multinational enterprise](#)

You work for a multinational enterprise and have at least 3-5 years of post-qualification experience in domestic practice. Recently, you have become responsible for managing the tax function at a regional or global level.

By following the certificate programme, you will gain solid knowledge of international taxation, specifically in the areas of tax treaties, transfer pricing and international tax planning. You will also learn about pressing issues in the current international tax environment, bringing your knowledge up to date and preparing you for the challenges in your daily cross-border activities.

User Profile 2: [Professionals working in a multinational enterprise who want to specialize further in international taxation](#)

You are a professional who has substantial post-qualification experience in a field related to international tax, such as finance, transfer pricing, compliance, law or investment management. You are currently responsible for taxation or in transition to the tax field.

By following the certificate programme, you will gain comprehensive knowledge of the principles of international taxation, preparing you for managing cross-border tax issues with confidence on a daily basis, in your current or new role.

User Profile 3: [Professionals working in the advisory or law firm sector who want to showcase their expertise in international taxation](#)

You work for an advisory or law firm with no more than 2-3 years of international tax experience.

After following the certificate programme, you will have a developed and updated knowledge of international taxation backed up by a recognized certification, enabling you to differentiate yourself among your peers and gain a competitive edge by showcasing your expertise in this field.
