IBFD Books

IBFD Books are key reference works for tax professionals and students across the globe.

IBFD Books comprise general titles and book series, covering a wide variety of topics, such as:

- Transfer pricing
- Tax treaties
- Value added taxation
- Corporate taxation
- Tax law

Formats

- Print Books
- Online Books: Hosted on the IBFD Tax Research Platform, online books are searchable by keywords or phrases and can be accessed by up to five users.
- eBooks: Available in ePub and PDF formats in the IBFD webshop. Selected IBFD titles are also available in Kindle format via Amazon.

Best-Sellers

A Guide to the European VAT Directives 2019
This two-volume set provides a comprehensive overview of the most essential parts of VAT Directives in Europe.

Data Protection and Taxpayers’ Rights: Challenges Created by Automatic Exchange of Information
This book examines the scope of exchange of information and the design of exchange of information provisions in relation to EU data protection requirements and guarantees.

EU Tax Law – Direct Taxation 2018
This book investigates in detail the EU law norms that are relevant from the perspective of direct taxes.

Mastering the IP Life Cycle from a Legal, Tax and Accounting Perspective
Written by experts in the field, this book is a valuable reference work that will guide the reader through the intricacies of managing IP rights.

Roy Rohatgi on International Taxation – Volume 1: Principles
With its practical approach, this book looks at the key principles of international taxation, from explaining the basic concepts to analysing complex transactional issues.

Taxable Supplies and Their Consideration in European VAT
This book provides an analysis of the application of basic concepts of the European value added tax system to transactions in the digital economy.

The Interpretation of Tax Treaties in Relation to Domestic GAARs
This book analyses the relationship between tax treaties and domestic anti-avoidance rules, particularly whether a treaty restricts the application of domestic general anti-avoidance rules (GAARs).

Transfer Pricing and Intangibles
This book explores how taxing rights to multinationals’ business profits from valuable IP shall be allocated among jurisdictions under US and OECD transfer pricing law.

See www.ibfd.org/Shop for availability and prices.
Book Series • New and Forthcoming Books

New and Forthcoming Books
