FOR IMMEDIATE RELEASE
Amsterdam, 26 July 2011

ICA partners with IBFD on LocationSelector.com

[Investment Consulting Associates \(ICA\)](#), the global adviser to corporations and governments, has partnered with the [International Bureau for Fiscal Documentation \(IBFD\)](#), the leading provider of international tax expertise and independent research.

IBFD is the world's foremost authority on cross-border taxation. Currently, employing over 70 research specialists from over 30 countries, IBFD is the pre-eminent, independent (non-profit) foundation that tax practitioners from all over the world rely on for high-quality independent tax research, international tax information, education and government consultancy.

ICA's web-based location benchmarking tool [LocationSelector.com](#) will be enriched by IBFD with their unique cross-border tax data, covering over 200 countries. The data includes country-specific in-depth tax rates for companies, individuals, turnover tax rates and other direct taxes.

How do the users of LocationSelector.com benefit from this partnership?

- They will have access to unique international tax data.
- All tax factors can be individually assessed, ranked and benchmarked across countries.
- The latest tax rates are always available through the IBFD monthly update.
- There will be an improved location benchmark for companies and investment promotion agencies (IPA's).

"ICA is happy to partner with IBFD and to offer clients of LocationSelector.com unique country-specific tax data from the renowned authority on cross-border taxation. This high-quality tax data in combination with the incentive deal database ICAINcentives.com significantly improves the quality of location decision making in corporate expansion and restructuring projects", said Douglas van den Berghe, Managing Director ICA.

"IBFD is looking forward to a successful partnership with ICA's team of global experts using their innovative software solutions [LocationSelector.com](#) and [ICAINcentives.com](#). This partnership will increase IBFD's exposure to international corporate investors and provide them with crucial tax data for their international investments", said Bas van Breevoort, Publisher IBFD.
