Search on the IBFD Platform has been enhanced

The Tax Research Platform is the digital heart of our expertise. As part of our ongoing efforts to improve its usability, we introduced a new interactive search support panel. Your keyword search is now supported by offering synonyms, keyword definitions and suggestions for topical references to relevant documents available.

Stay abreast of the Multilateral Instrument (MLI) and BEPS-related changes

IBFD is extensively covering the MLI, including Reservations and Notifications per country

All possibly affected treaties contain reference to the MLI. Through an integrated coverage of MLI developments in our News, Treaties Collection, Country Analyses and Tools, we keep you fully up to date with the impact of the complicated BEPS treaty-related measures.

New and improved: BEPS Country Monitor with Compare Tool

These country tables allow you to find detailed comments on the implementation of the BEPS recommendations in a growing number of countries with links to more information. A tool facilitates comparison by Country, Organization or Action Point.

New Transfer Pricing Documentation Tables

A comprehensive overview of country-by-country reporting, Master File and Local File requirements and forms in over 60 countries, allowing side-by-side comparison. Linked to the TP Collection with detailed guidance and recommendations. Can be exported to Excel for comparison and processing.

Journal Articles and White Paper on MLI

Find dozens of journal articles on the MLI, as well as one of our latest White Papers, *OECD Multilateral Convention: Flexibility versus the BEPS Project*, on the Tax Research Platform.

Permanent Establishments Collection: Explore issues in greater depth

Full interlinking of this collection with the Country Analyses and Transfer Pricing Collection enables you to analyse issues related to PE in greater depth.

Trials

Would you like to try a product?

1. Log in to your existing account or register for a new one for free.
2. Select the product in our online shop and click on the trial button on the product page.

Mergers and Acquisitions Collection: More content and context

New chapter in M&A Collection

Setting the Scene: Steps to a Successful Transaction will acquaint you with the main tax and legal implications of an M&A transaction. Linked to the Country Analyses for reference to the general tax framework of the jurisdiction.

Even more coverage for Asia and Americas

Chinese Circulares Collection

Our Tax Authorities' Documentation has been extended with a new, comprehensive collection of official Chinese tax regulations in both Chinese and English.

Comtax Basic Asia-Pacific

Checking scenarios for tax structuring and compliance in 24 Asia-Pacific jurisdictions, this product will minimize your manual routine and help you understand the tax implications of your company's activities in the region.

Simultax expanded with additional countries

This innovative tool now also covers Australia, Brazil, Canada, Chile, Indonesia, Japan, Korea (Rep.), Malaysia, Mexico, Philippines, Singapore, United States and Vietnam.

Asian Voices: BEPS and Beyond

In this online book you can read what top tax administrators, leading academics and industry thought leaders say about the BEPS Project in the context of Asia's unique conditions.

New chapters on the GST systems in India and Malaysia

The new content will give you a comprehensive overview of the applicable GST legislation in India and Malaysia. The chapter on the new dual GST system in India will be available soon in the VAT & Sales Tax Collection.

Bulletin for International Taxation Special Issue: A Global Perspective on the US Tax Reform

IBFD and Tax Analysts have jointly released 27 articles commenting on the US tax reform proposals.

White Papers on US Tax Reform

Will Trump's Tax Reform Make America Great Again? and more. Read some of our latest White Papers tackling the US tax reform on the Tax Research Platform.
