Summary

Preface	5
List of authors	7
Part 1	
General report on the taxation of workers in Europe <i>Sandra Eden and Carlos Palao Taboado</i>	25
1.1. Introduction	25
1.2. Basic framework	25
1.3. Definition of employment income	26
1.4. Attribution of employment income	28
1.5. Timing aspects	28
1.6. Tax base	29
1.7. Deduction of tax at source	34
1.8. International aspects	35
1.9. Anti-avoidance	36
Part 2	
Taxing benefits in kind – theory and practice <i>Sandra Eden</i>	39
2.1. Introduction	39
2.2. Why is the use of fringe benefits so prevalent?	39
2.3. What are the issues with a tax system which under-taxes benefits in kind?	41
2.4. Why should a tax system subsidize benefits provided through the employment relationship?	44

2.5.	How should benefits be valued for tax purposes?	46
2.6.	In the real world	48
2.7.	Concluding remarks	49

Part 3

Double tax conventions on taxation of workers – Selected and recent issues of international taxation of employees (tax treaty law)

	<i>Rainer Prokisch</i>	51
3.1.	Introduction	51
3.2.	General issues concerning the scope of Article 15: the source rule	51
3.3.	Personal scope of Article 15 OECD Model	56
3.4.	Scope of Article 15 OECD Model: setting the boundaries	59
3.5.	The term "Salaries, wages and similar remuneration derived in respect of an employment"	60
3.6.	The 183-day clause	61
3.7.	Hiring-out of labour and the interpretation of the term "employer"	64
3.8.	Enterprise operating a ship in international traffic	68

Part 4

Taxation of cross-border workers and EC tax law

	<i>Hanna Litwinczuk</i>	71
4.1.	Introduction	71
4.2.	The European Economic Area Agreement (Member States of the EU and Iceland, Liechtenstein and Norway)	71
4.3.	The Agreement on Free Movement of Persons with Switzerland	72
4.4.	Agreements with third states (Association Agreements, Partnership and Cooperation Agreements)	72
4.5.	The ECJ jurisprudence regarding free movement of workers – general principles	73
4.6.	The ECJ case law on taxation of cross-border workers	76

Part 5

National reports on taxation of workers	95
5.1. Austria <i>Julia Hutter and Josef Schuch</i>	95
5.2. Belgium <i>Luc De Broe and Niels Bammens</i>	109
5.3. Denmark <i>Aage Michelsen</i>	141
5.4. Finland <i>Raimo Immonen</i>	155
5.5. Germany <i>Joerg Manfred Moessner</i>	161
5.6. Greece <i>Theodore Fortsakis and Andreas Tsourouflis</i>	169
5.7. Luxembourg <i>Jean-Pierre Winandy</i>	177
5.8. Netherlands <i>Rainer Prokisch</i>	185
5.9. Norway <i>Ole Gjems-Onstad</i>	193
5.10. Poland <i>Hanna Litwinczuk</i>	197
5.11. Spain <i>Carlos Palao Taboada</i>	203
5.12. Sweden <i>Maria Hilling</i>	211
5.13. Switzerland <i>Xavier Oberson and Jessica Salom</i>	219
5.14. United Kingdom <i>Sandra Eden</i>	227

Part 6

General report on taxation of deferred compensation <i>Joerg Manfred Moessner</i>	237
6.1. Introduction	237
6.2. Types of deferred compensation	238
6.3. Tax problems of deferred compensation	239
6.4. International tax problems	243

Part 7

National reports on deferred compensation	247
7.1. Denmark <i>Aage Michelsen</i>	247

7.2.	Finland	<i>Raimo Immonen</i>	255
7.3.	Germany	<i>Rosemarie Portner</i>	259
7.4.	Greece	<i>Theodore Fortsakis and Andreas Tsourouflis</i>	271
7.5.	Norway	<i>Ole Gjems-Onstad</i>	279
7.6.	Sweden	<i>Maria Hilling</i>	281
7.7.	Switzerland	<i>Xavier Oberson and Jessica Salom</i>	287
7.8.	United Kingdom	<i>Sandra Eden</i>	291

Part 8

Withholding taxes

		<i>Frederik Zimmer and Richard Lyal</i>	303
--	--	---	-----

8.1.	Report by Frederik Zimmer		303
------	----------------------------------	--	-----

8.2.	Comments by Richard Lyal		313
------	---------------------------------	--	-----

The Manfred Moessner Lecture 2008

		<i>John Tiley</i>	317

Table of contents

Detailed

Preface	5
List of authors	7
Part 1	
General report on the taxation of workers in Europe	25
<i>Sandra Eden and Carlos Palao Taboado</i>	
1.1. Introduction	25
1.2. Basic framework	25
1.3. Definition of employment income	26
1.3.1. <i>What tests are used to distinguish employment income from independent activities such as a profession?</i>	26
1.3.2. <i>Can income from a partnership be taxed as employment income?</i>	26
1.3.3. <i>Outside the normal definition of employment income, are other forms of income deemed to be employment income for tax purposes, either on the grounds of consistency or anti-avoidance?</i>	
<i>For example, can company income ever be attributed to an employee of the company, or vice versa?</i>	
<i>Are there any special rules for agency workers, so that a person who would normally regarded as providing services in an independent capacity is treated as an employee for tax purposes?</i>	
<i>Can royalties be taxed as labour income where for example they are effectively disguised employment income paid as royalties for the use of rights assigned to a company?</i>	26
1.4. Attribution of employment income	28
1.5. Timing aspects	28
1.5.1. <i>Cash vs. accrual basis</i>	28
1.5.2. <i>Averaging</i>	29
1.5.3. <i>Might a payment made to a person before he becomes an employee (for example, a payment to induce him to take up employment) be taxable, and if so, taxable as employment income?</i>	29
1.6. Tax base	29
1.6.1. <i>Taxation of income other than salary</i>	29

1.6.1.1.	Money payments	29
1.6.1.2.	Fringe benefits	31
1.6.1.3.	Termination payments	33
1.6.2.	<i>Deductible expenses</i>	33
1.7.	Deduction of tax at source	34
1.8.	International aspects	35
1.8.1.	<i>Introduction</i>	35
1.8.2.	<i>Residents employed abroad</i>	35
1.8.3.	<i>Non-residents employed in your country</i>	35
1.9.	Anti-avoidance	36
 Part 2		
Taxing benefits in kind – theory and practice		39
<i>Sandra Eden</i>		
2.1.	Introduction	39
2.2.	Why is the use of fringe benefits so prevalent?	39
2.3.	What are the issues with a tax system which under-taxes benefits in kind?	41
2.3.1.	<i>Introduction</i>	41
2.3.2.	<i>Competitive distortion among employers</i>	42
2.3.3.	<i>Distortions in the pattern of consumption</i>	42
2.3.4.	<i>Shifts in the tax burden</i>	43
2.3.4.1.	<i>In general</i>	43
2.3.4.2.	<i>The shift from the employer/employee to the general taxpaying population</i>	43
2.3.4.3.	<i>The distortion between employees in a similar pre-tax situation</i>	43
2.3.4.4.	<i>The effect on the progressivity of the tax system</i>	43
2.4.	Why should a tax system subsidize benefits provided through the employment relationship?	44
2.5.	How should benefits be valued for tax purposes?	46
2.6.	In the real world	48
2.6.1.	<i>Introduction</i>	48
2.6.2.	<i>Tax the employer instead of the employee</i>	48
2.6.3.	<i>Exemption of low-value benefits</i>	49
2.6.4.	<i>Use of standardized values</i>	49
2.7.	Concluding remarks	49

Part 3	
Double tax conventions on taxation of workers – Selected and recent issues of international taxation of employees (tax treaty law)	51
<i>Rainer Prokisch</i>	
3.1. Introduction	51
3.2. General issues concerning the scope of Article 15: the source rule	51
3.3. Personal scope of Article 15 OECD Model	56
3.3.1. <i>Treaty entitlement of employer</i>	56
3.3.2. <i>Partnerships as employers</i>	57
3.4. Scope of Article 15 OECD Model: setting the boundaries	59
3.4.1. <i>The relationship between Articles 15 and 16</i>	59
3.4.2. <i>The relationship between Articles 15 and 18</i>	59
3.5. The term "Salaries, wages and similar remuneration derived in respect of an employment"	60
3.6. The 183-day clause	61
3.6.1. <i>Introduction</i>	61
3.6.2. <i>Change of state of residence</i>	62
3.6.3. <i>Truck drivers</i>	62
3.7. Hiring-out of labour and the interpretation of the term "employer"	64
3.8. Enterprise operating a ship in international traffic	68
Part 4	
Taxation of cross-border workers and EC tax law	71
<i>Hanna Litwinczuk</i>	
4.1. Introduction	71
4.2. The European Economic Area Agreement (Member States of the EU and Iceland, Liechtenstein and Norway)	71
4.3. The Agreement on Free Movement of Persons with Switzerland	72
4.4. Agreements with third states (Association Agreements, Partnership and Cooperation Agreements)	72
4.5. The ECJ jurisprudence regarding free movement of workers – general principles	73
4.5.1. <i>Personal scope of free movement of workers provisions</i>	73
4.5.2. <i>Material scope of free movement of workers provisions</i>	74
4.5.3. <i>Functional approach to the application of the free movement of workers provisions</i>	75

4.6.	The ECJ case law on taxation of cross-border workers	76
4.6.1.	<i>Application of fundamental freedoms in the field of direct taxation</i>	76
4.6.2.	<i>Overt and covert discrimination – Biehl</i>	77
4.6.3.	<i>The birth and the substance of the Schumacker principle</i>	78
4.6.4.	<i>Critique of the Schumacker principle</i>	79
4.6.5.	<i>With or without Schumacker – further developments of the ECJ case law relevant for cross-border workers</i>	80
4.6.5.1.	With or without a spouse – a joint assessment	80
4.6.5.2.	With or without a basic allowance?	83
4.6.5.3.	With or without progression?	84
4.6.5.4.	With or without expenses?	86
4.6.5.5.	With or without home state's personal allowances?	87
4.6.5.6.	With or without social security contributions?	88
4.6.5.7.	With or without a tax credit?	89
4.6.6.	<i>The Schumacker case law and a cross-border loss relief</i>	90
4.6.7.	<i>Justifications</i>	90
4.6.7.1.	A general principle	90
4.6.7.2.	Cohesion	91
4.6.7.3.	Fiscal supervision	93
4.6.7.4.	Compensation by means of an advantage available in the other Member State	93

Part 5

	National reports on taxation of workers	95
5.1.	Austria Julia Hutter and Josef Schuch	95
5.1.1.	<i>Basic framework</i>	95
5.1.2.	<i>Definition of employment income</i>	95
5.1.3.	<i>Attribution of employment income</i>	98
5.1.4.	<i>Timing aspects</i>	98
